THE HON'BLE MR JUSTICE L. NARASIMHA REDDY

Writ Petition No.14842 of 2007

ORDER:

Petitioner feels aggrieved by the order of final assessment dated 18-06-2007, passed by the 2nd respondent. This was preceded by a letter of provisional assessment dated 17-01-2007. When there was threat of disconnection, the petitioner made a deposit of Rs.25,000/-, and on that basis, the power supply was continued.

Though the learned counsel for the petitioner had urged several contentions, this Court is not inclined to entertain the present writ petition. The reason is that, there is an effective alternative remedy, by way of an appeal, under Section 127 of the Indian Electricity Act. The petitioner can avail the remedy. In view of the fact that the petitioner has already deposited a substantial amount, *namely*, Rs.25,000/-, it shall not be required to make any further deposit, as a condition precedent, for entertaining the appeal.

The writ petition is accordingly disposed of. There shall be no order as to costs.
